“Blessed be the God and Father of our Lord Jesus Christ, who has blessed us in Christ with every spiritual blessing in the heavenly places, just as he chose us in Christ before the foundation of the world to be holy and blameless before him in love. He destined us for adoption as his children through Jesus Christ, according to the good pleasure of his will...” (Ephesians 1:3-5 NRSVUE)  
New Year’s Blessings my brothers and sisters in Christ! I pray your Christmas was full of joy and delight, whether you gathered with family and friends or had a simple, quiet time to celebrate “the Word made flesh.”

I love this passage from Ephesians which we get on the first Sunday of the New Year! Mainly because it makes me think of my mom and dad and how almost fifty-eight years ago they adopted me. The story of my adoption is something I have always known. Mom would get me tucked into bed, in my pink ballerina sheets, and begin by saying, “God answered our prayers for a little girl.” She and Dad couldn’t have children together and all she wanted was a little girl to complete the blended family...a child that would be theirs. I remember seeing the sheer happiness and awe on her face as she told and retold the story so many times over the years...long into my adulthood. I also remember the arguments and fights I would get into when kids would tease me about having two moms and two dads. Even though my anger would always get the best of me...my comeback line knocked the wind from their sails...”Well, at least my parents chose me!! Your parents didn’t have a choice with you!”

Now...I know that isn’t a very nice thing to say and as a pastor now, I do slightly regret my actions. But there has always been something special about the fact my parents got to choose me to be their daughter! Granted, they had to wait until they knew there was even a child to be had before they could choose me. Never the less, it was still their choice!

That is why I think it is awesome that Paul reminds us that God “chose us in Christ before the foundation of the world!” Before the world was even created, God knew we would be adopted into God’s eternal family. Not for any special reason. Not because we deserve it. It was done because God loved us!

As we begin 2026, may we always remember that in God’s good pleasure, we were chosen. And not only us...but all people were chosen. So as God’s beloved children, it is our duty to reflect God’s love to all we encounter. By doing so, we might meet a sibling in Christ we need in our lives just as much as they need us in theirs!

May God bless you with hope, peace, joy, and lots of love in 2026!

Pastor Sue Lynn

## What is Serving — Really?

I need a thousand things every day. I have big needs and small needs. Everyone around me does too. Sometimes the people around me see my needs before I do. The real treasure is when we act on what we see. When we shoot the text to the co-worker who had a tough day or move the elderly neighbor's trash can to the curb.

A good measure of our spiritual health is our depth of concern for other people.

As we allow the Gospel to change our hearts, we will develop a deep care for other people. Our attention will begin to turn away from ourselves and to the needs of others (Galatians 5:13). A good measure of our spiritual health is our depth of concern for other people. Eventually, our hearts are so in tune with what Jesus is doing around us, He begins to use us to meet the needs of others.

### Serving in the Church

The Gospel is enacted through the local church all across the world. The church is us: people who love Jesus serving others by parking cars, holding babies, to praying with others, pouring coffee, and opening their homes.

In this, God changes us. Serving in the local church is a vehicle to discover how we are made and how the Lord can use us. Serving provides us the opportunity to know more about how we are created: our likes and dislikes, what we can do well and what we cannot.

God fills in the picture for us. We discover more about ourselves and how He is growing us while He uses us to meet the needs of others. We learn best by doing.

### A Beautiful Relationship

The discovery process of how God can take our unique selves and join with the work He is doing will last our entire lives. As we grow, as stages of life change, as we meet new people and participate in new activities, new ways to serve others will become clear to us. Our heart posture must always be the same: what can I do to serve other people?

Every week, we are given the opportunity to practice putting our attention less on ourselves and more on others. We will not be perfect. We may find ourselves serving in an area that doesn't match our gifting and need to adjust. We may also find we love a group of people or an area of ministry more than we thought we could. Either way, we jump in and start.

In this, God weaves a beautiful relationship between both working in us and through us.

It is seeing what God can do.

YOU have so much to offer!**

# gathered together

The ladies of the church had a day of fellowship on December 6<sup>th</sup> in the fellowship hall where they played a getting to know you BINGO game, shared a snack, made a prayer craft, and played a game to exchange gifts. We even celebrated Jean Holshouser's 93<sup>rd</sup> birthday.

If you have an ideas for a women's fellowship activity please see Jan McCulloh. We have a great time when we are together and would love for many more of the women from our church to join in.

*I love my church family!*

### Altar Flowers

If you would like to place flowers on the altar in memory or honor of someone, please contact Lorrie Olive or Dena Najarian to sign up.

### Church Envelopes

Offering envelopes for the new year are ready for pick-up in the Narthex.

### Blessing Box

Our little blessing box has been used frequently during the past two months. If you would like to contribute to this mission you can place items in the Narthex labeled "Blessing Box" or place them directly into the box. When placing in the box, make sure that the food is in closed containers and the door is latched when finished.

### FoodPantry

For the month of December we served 27 neighbors with 680lbs. of food. This is the last month that we will be distributing food under Rowan Helping Ministries. We will continue to serve our neighbors through our food pantry at the same time and days each month, but this will allow us to connect more with the individuals that use this ministry. Our new name is East Rowan Community Food Bank.

### Us Stock the Shelves!

Our Food Pantry shelves are looking a little bare! There has been an increased need for food in our community over the last several months. The boxes we receive from Rowan Helping Ministries each month have been getting less and less with the many federal cut backs in funding. We have been using the gracious donations from the many food drives in the community to supplement those boxes in order to help our neighbors have greater variety and meal options. We have also noticed an increase use in our Blessing Box. There is an obvious for food for those in need for our area.

What is needed? Just about anything can help!

\_packets of tuna/chicken, Easy Mac/Chef Boyardee cups, ramen noodles, peanut butter & jelly, grits, oatmeal, rice/pasta packets, pasta & sauces, shelf stable milk, canned fruits, canned vegetables, dried beans, pancake mix, syrup, muffin mix, canned meat, cereal, rice.

# Preparing Christmas Bags for Christmas Eve

Dear St. Peter's Lutheran,  
Thank you so much for the Christmas gift! My family and I appreciate your generosity and love! It is my joy to be part of this community of faith not only as a spiritual leader but as a part of a family. As we enter 2026, I pray that God blesses each of you with laughter to get through the good times, a shoulder to cry on during the tough times, and a spirit of giving in love to those in need of God's light to shine on them.

Love & Blessings!  
Pastor Sue Lynn

Your donation makes a significant impact on the lives of our patients.

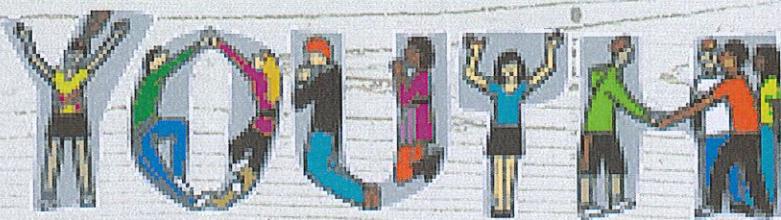

Dear St. Peter's Church Family,

Thank you for the kindness you've shown our family since we started attending this wonderful church. We greatly appreciate Pastor Sue Lynn baptizing our grandson Jaxon in November. It was such a thoughtful service, and our extended family felt welcomed by Pastor Sue Lynn and the entire congregation.

Liberty and Chase (Jaxon's parents) love the beautiful baptismal keepsake box presented to Jaxon from the church. It's large enough to hold his Bible, candle, and other keepsakes from that special day. Also, being able to celebrate together with our family after church was so convenient; thank you for letting us use the basement and kitchen.

Additionally, we appreciate the prayers, good wishes, and cards for Amy's health and Jaxon's surgery. It always helps knowing that others are lifting us in prayer! May each of you have a happy, healthy, and peaceful 2026.

God bless,  
Amy and Kent Cozart (and family)

Dear Church Family,

The preschool had a busy month in December making Christmas crafts, learning Christmas songs for their Christmas program, and finally singing those songs at Happy's Farm in front of family and friends. They had a fun-filled morning participating in farm activities, visiting with Santa and the Grinch, eating cotton candy and giving a concert.

This upcoming month will start our 2<sup>nd</sup> half of the year and we hope that it is filled with just as much learning and happiness as the first year has brought. Thank you, for supporting the young minds of these students!
